

Comprehensive Occupational Health Services That Work for You

At Phoenix Paramedic Solutions, we specialize in delivering high-quality occupational health services designed to meet the unique needs of employers across Lafayette and surrounding areas. Whether you're managing a large manufacturing plant or a small construction crew, our flexible, responsive, and cost-effective solutions help you prioritize worker health, safety, and compliance—without disrupting productivity.

What We Offer

We provide a full spectrum of occupational health services, including:

- **Regulatory Compliance Exams:** DOT, pre-employment, respirator fit testing, and return-to-work physicals.
- **Drug & Alcohol Testing:** DOT, post-accident, reasonable suspicion, and pre-employment screenings (including split-cup and PBT testing).
- **Injury Care & Case Management:** Fast, effective treatment with detailed follow-up and return-to-work strategies.
- **Vaccinations & Preventative Health:** Onsite flu shots, wellness screenings, and more to reduce absenteeism.
- **Onsite & Mobile Services:** We meet you where you are—at your plant, your job site, or your business office.

Why Employers Choose Phoenix

We go beyond clinical services. Here's how we stand out:

- **Custom Programs by Industry:** From manufacturing and construction to logistics and public service, we tailor our protocols to match your operations and compliance needs.
- **Rapid Response Times:** Injuries and compliance needs don't wait—neither do we. Our team is on call for quick response and care coordination.
- **Trusted by Industry Leaders:** Companies like Caterpillar, Arconic, and Express Employment already trust us to care for their workforce.
- **Local, Reliable, and Relational:** We're rooted in this community. We value long-term partnerships and serve as an extension of your safety team.
- **HealthCall Integration:** All services are documented in HealthCall, ensuring consistency, transparency, and compliance reporting.

The Four Feathers Promise

Everything we do is guided by our commitment to **Safety, Courtesy, Advocacy, and Efficiency**. This “Four Feathers” approach ensures every employee we treat—and every employer we serve—receives compassionate, competent, and consistent care.
